

kanopy

get started

Create a Kanopy Account – Computer

- 1 Go to sdglibrary.kanopy.com and click **Log in to SDGLibrary**. Enter your Library card number and pin. Click **Continue**.
- 2 Click **Sign Up** in the upper right-hand corner and fill in your name, email, and set a password.
- 3 Check your email for a message from Kanopy. Click on the **Verify My Email** button.
- 4 Another tab will open with your Kanopy account. Use this log in when accessing Kanopy in the future.

Create a Kanopy Account – SmartPhone/Tablet

- 1 Install the Kanopy app from Apple's App Store or Google Play. Choose **Sign Up**.
- 2 Fill in your name, email, and set a password and click **Sign Up**. Check your email for a message from Kanopy. Click on the **Verify My Email** button.
- 3 Return to the Kanopy App and tap **Find Your Library**. Type **SDGLibrary** and select **SDGLibrary** from the list.
- 4 Enter your Library card number and pin. Tap **Verify**. Tap **Start Watching** and start streaming!

Borrowing Movies

- 1 Use the **Search** box to search by title, actor, director, or subject, or browse by category using the drop down menu.
- 2 Tap or click a movie to read a summary and find out more details.
- 3 Choose **Watch** to watch the movie or choose **My List** to watch it later.
